

## ***Brownie & Bo at the Big Wood Diner***

By Lynn W. Peters

Illustrations by Zack D. Brown

32 pages, hardcover, dust jacket

*A crystal clear river ...*

*Two hungry trout ...*

*People with fishing rods ...*

*What do **you** think is going to happen?*

"Brownie & Bo at the Big Wood Diner" is a hardcover illustrated children's book that takes a look at two hungry trout as they spin a tale of their life in the rivers and lakes of the West. Stunning watercolor illustrations by Zack D. Brown flow from page to page as young readers learn about the life of trout and how to protect our rivers and waterways.

Written by Lynn W. Peters and brought to life with stunning watercolor illustrations by Zack D. Brown, this endearing and beautiful children's book appeals to all ages (young readers and older readers, alike). Informative facts at the back of the book inspire and educate with additional details about trout identification, facts, food sources and habitat. And the tale of Brownie and Bo becomes a cautionary reflection on the importance of considering the consequences before you act while delighting young readers with lively rhyming prose accompanied by colorful and whimsical illustrations full of imagination and wonder.

Hardcover, with dustjacket • 32 pages

9" wide x 11" tall x 7/8" deep

Retail Price: \$19.95

### **From the Inside Front Cover:**

Brownie & Bo are two talkative trout who spend their days swimming in the Big Wood River. They are hungry and are searching for a delicious dinner. Why don't you listen in and hear what they have to say? It is likely to be a very exciting day!

Although their story is set in Idaho, you can easily imagine this fish tale taking place in any state on any stream or river or lake that you know and love.

After you read the story, flip like a fish to the back of the book to read some Fun Facts About Brownie and Bo that will help you learn more about trout and how to protect our rivers.

### **Author Bio:**

Lynn W. Peters fell in love with Idaho on her first visit during the winter of 1998 when she discovered Nordic skiing on the Harriman Trail. She has spent increasing amounts of time in the state in all seasons every year since. When back East, she resides in Lancaster, Pennsylvania, and also enjoys time on the Chesapeake Bay.

### **Illustrator Bio:**

Zack D. Brown is an illustrator and graphic designer who has been privileged to call Hailey, Idaho, home for the better part of his life. He studied graphic design and illustration at John Brown University. Zack now resides in Orlando, Florida, where he works as a digital designer.
